“Bohemian and Viennese” Button Diatonic Books

(This is the most common pitch-ordering system. It is used in the USA for Tex-Mex (Conjunto), and is basic to instruments from many ethnicities.)

Button Diatonic Method for “Bohemian” and “Viennese” Systems. Book One ca. 30 p plus

Appendices \$12.00

This book begins at the beginning in understanding diatonic accordions. It identifies the models and brands most commonly using this pitch-order system—and how you can determine the content of yours. Book One teaches basic rhythmic patterns, core-pitches found in many other diatonic types, tunes and exercises using one octave in three rows.

Button Diatonic Method for “Bohemian” and “Viennese” Systems. Book Two 29p plus

Appendices \$12.00

This book introduces the next higher right-hand octave and more than six pairs of accompaniment buttons. Enjoyable pieces make this book fun, and gently progressive steps increase your skills. Pieces are longer and varied by use of double notes.

Button Diatonic Method for “Bohemian” and “Viennese” Systems. Book Three. 32p. plus

Appendices \$12.00

This book uses the next higher right-hand octave and more varied note values. .Enjoyable pieces make this book fun, and gently progressive steps increase your skills. Pieces are longer and varied by use of double notes and new harmonies.

Button Diatonic Method for “Bohemian” and “Viennese” Systems. Book Four. 36p. plus

Appendices

\$12.00

This book uses variations techniques, dynamic interpretive techniques, new low tones, three scales, including minor. Enjoyable pieces make this book fun, and gently progressive steps increase your skills. Pieces are longer and varied by use of double notes and new harmonies.

“Club System” Button Diatonic Books

Known in some circles as a 2 ½ row, the “Club” system has a “Gleich-Ton” at center of the second row and sharps and flats in the third row. It is the preferred diatonic in Germany, related to the Swyzerorgli, and is usually taught by tablature.

Club System (Regular Keyboard) Button Diatonic Method. Book One. 42p. plus Appendices

\$12.00.

Useful for all “Club” accordions, this book is best for keyboards with 12-11-7 keys. Charts, exercises, and music selections make this instrument understandable and fun. Progresses through one-octave in two rows. Teaches playing by learning to read real music.

Club System (Regular Keyboard) Button Diatonic Method. Book Two. 35p. incl. Appendices

\$12.00.

Lovely folk and ethnic tunes make this book most enjoyable. Charts and explanatory pages help you learn how to make sense of music you choose from other sources.

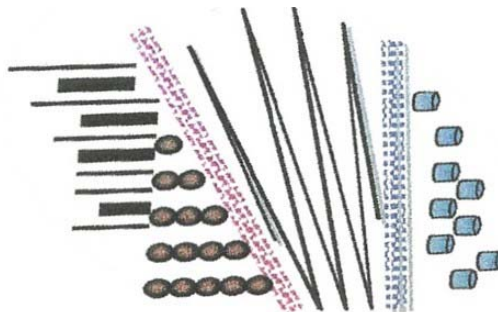

Some Club System Diatonics have more treble buttons and wider range. Some have 7th chords in the bass section.

Club System (Expanded Keyboard) Button Diatonic Method. Book One. 41p. plus Appendices

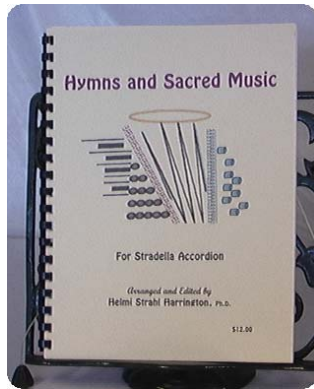

\$12.00

Useful for all "Club" accordions, this book is best for keyboards with 12-11-10 keys. Charts, exercises, and music selections make this instrument understandable and fun. Progresses through one-octave in three rows.
